Convention news:

We have over 280 fully paid registrations so far with 27 teachers. We are still receiving registrations. Letters went out today with class confirmations to those who have registered.

The OIDFA luncheon has 100 attendees so far.

Set up will begin on Saturday, July 24 at 4:00.

On Friday, July 30 after the banquet, the convention host committee is invited to a social in the IOLI president's suite.

There are enough registrants for all of the classes and the classes are filling up.

There are 19 vendors signed up; they will be using 80 tables.

There are also 7 vendors for Wednesday.

We all gave a huge THANK YOU to Bev Davis for the hundreds of hours she has spent on the registration. We also gave a huge THANK YOU to John and Kathy Hensel for arranging teachers for all the classes, for setting up the vendors, and for working with Bev on coordinating registrants with classes. They have all spent many hours to make this convention smooth running and successful.

Donations are still being accepted for the raffles.

Lynda will be ordering the bags and pins this week.

Members will be meeting at the Red Lion Pendleton Room at 1:30 today for a walk-through of the facilities.

The meeting was adjourned at 11:05.

NOTE CHANGES DUE TO CONVENTION

- No Meeting in McMinnville on July 31
- Newsletter will be out **AFTER** convention

Please note that the PLS meeting for August will be the Thursday the 5th.

Dear members of Portland Lace Society,
Demo/volunteer hours. This record runs from May through April. We receive credit for the following categories:

1. Demonstrating lace
2. Travel time involved to and from event
3. Preparation time preceding event
4. Gratis teaching
5. Programs presented, i.e. lectures, exhibits, etc.

We need to know your total for a year of activities in EACH category. I know that it is hard to keep track exactly – just do your best to give an accurate representation. Start marking in your calendar now for next year. With our upcoming convention, I am sure we have put in very many hours and will have some for next year as well.

We need to report this information in May of each year.
Start keeping track now for next year.

Thank you very much,
Lynda Libby, president,
Portland Lace Society

You will find a copy of the Portland Lace Society Library books, videos and DVD's listed on-line.

Volunteers:

Lacemaking at Champoeg will be Saturday, July 10, 2010 from 1:30 to 3:30 for Textile Day. Spinning, Weaving, Quilting, Mending, Carding, Knitting, Crocheting, and Bobbin Lacemaking.

Please come in costume (or you can borrow one). Plan to be there by 12:30 so we are set up before visitors arrive. FMI contact Kim Martin at 503-678-1649 or kim@champoeg.org

Shirley McDaniel, Opal Shimmin, CJ David and Jean Reeves had a great time teaching tating at McLoughlin House May 8th, noon to 4pm. It was great fun and we had some very good students. Everyone who actually sat down to try made a few rings and chains. I'd call that success.

After Convention Class Opportunity -----

Elena Dickson, author of Knotted Lace, will be teaching a two day workshop August 21-22, 2010. It will be held in the home Jackie Nissen in Newberg, OR. She will teach you how to work petals, flowers, leaves and buds, as well as how to put them all together. The project will be a bookmark similar to the one shown here. The cost for this workshop is \$50. Send a check made out to Portland Lace Society, mailed to Lynda Libby. Register NOW to ensure your spot.

2010 Conference Progress

Portland 2010

Conference Meeting:

After morning lacemaking in McMinnville there will be a conference committee meeting to do last minute jobs and make sure all is on track. Please plan to join us on June 26th. As usual we will make lace in the

morning, go to lunch and meet back at 1:00 PM.

Contact Jackie Nissen - jackienissen@comcast.net

Conference Garden Party

Artificial flowers...any kind, any size, any condition....are still needed to decorate for the Garden Party at conference. We can also use some garden-theme items to add to the table decorations. These items should have your name taped on the bottom so you can get them back....decorative vase (like a watering pot or a flower), clean garden trowel, seed packages (can be empty...open neatly). clean garden gloves. We have hats for a third of the tables, and will use other things on the rest of the tables.

Give all donations for the Garden Party to Alice.

I'm going to repeat here. I will be at the convention and will not be doing the newsletter until the first week in August, so note items of interest you need before the newsletter comes out - e.g. PLS meeting on Aug. 5th

Also - Here is the scoop on the Yamhill County Fair -

From Alice ----

Yamhill Country Fair Aug 4 - 7

Demo people welcome anytime between 10am and 9pm any day of the fair. Call Alice well in advance if you want free parking and admission. Helpers needed Sunday Aug 1 from 1 till 7 and Sunday Aug 8 from 9 till 1.

BUZZY BEE says, "Please Help!"

If you had good intentions and still have not completed a promised item (key chain lace, flowers or hat still at the front door and not given to Alice yet, helpful hints for Pauline, or maybe lanyards still need the sewing on the ends) please check with the committee chair in charge of these items. You are still being counted on to complete them. .

DO NOT take it for granted that because the deadline has passed that your items are no longer needed. Keep up the good work and keep in touch.

=====>>>:<<<=====

Do you have an item you would be willing to donate for the raffles?

We have two levels, of tickets, so items of any size will do - they will fit in one category or the other.

=====

The editor of the IOLI bulletin would like to capture us on film after the banquet and we have been invited to a post conference celebration, hosted (and paid for by IOLI) following the banquet.

Hope everyone plans on attending.

Jackie

=====

May walk-through of the Hotel was interesting and the last minute changes/decisions were all made successfully. They said we were the first group to ask for better lighting as most want it low and soft, but we were assured that they would be changing out the lights to be natural white bulbs.

Again, we would like to call upon anyone willing to loan a light or light magnifier combo to please label them and bring them to the convention so we can give them out as needed. Don't forget one for yourself.

The guest rooms were nice and the food in the hotel was good and as noted, there were other options close by.

See you all there!!!!

AMERICA'S ORIGINAL BOBBIN LACE

Our country's earliest bobbin lace and its original patterns are named after Ipswich, Massachusetts where it originated and was commercially successful. Few lacemakers in the world know about America's Ipswich lace. USA's OIDFA council members are organizing an exhibit of Ipswich lace, including patterns, for the 14th World Lace Congress in Kobe, Japan July 9-11, 2010. Portions of this display will also be shown at IOLI's Portland Convention July 25-31, 2010 at Red Lion on the River. Marta Cotterell, researcher and author of books about Ipswich lace is consulting on the display and will attend the IOLI convention in Portland and will give a power point presentation on Ipswich Lace on Wednesday, July 28. Marta's website www.martasprout.com includes a slide show on the Laces of Ipswich. The "in Print" page is interesting.

If you are not a 2010 OIDFA member, send your dues to the US Treasurer and read Marta's articles about Ipswich Lace in OIDFA's 2010 bulletins you will receive that also include the 14th World Lace Congress in Japan. Information about OIDFA is available from Margaret Palen 503-364-8144 and lovaire2@hotmail.com. Make your \$45 check for membership to OIDFA Margaret Palen, US National Treasurer and send to 2665 Alvarado Terrace S. Salem, OR 97302.
